

The 2nd International Conference on Security-enriched Urban Computing and Smart Grids (SUComS 2011)

21-23 September 2011,

National Dong Hwa University (<http://www.ndhu.edu.tw>), Hualien, Taiwan

Second Call for Papers

The conference focuses on the various aspects of advances in Urban Computing and Smart Grid. The goal is to provide a high-level international forum for scientists and researchers to present the state of the art in the area of Urban Computing and Smart Grid. We will accept all research works related to Urban Computing or Smart Grid. Typical topics include (but not limited to):

- Urban Computing
- Smart Grids
- Bio-Science and Bio-Technology
- Control and Automation
- Disaster Recovery and Business Continuity
- Database Theory and Application
- Future Generation Communication and Networking
- Grid and Distributed Computing
- Multimedia, Computer Graphics and Broadcasting
- Security Technology
- Signal Processing, Image Processing and Pattern Recognition
- u- and e- Service, Science and Technology

Proceedings will be published in Communications in Computer and Information Science (CCIS) by Springer-Verlag. All submissions must be done through EasyChair at <http://www.easychair.org/conferences/?conf=sucoms2011>. The format for submission is PDF or DOC. For format and style guidelines authors should refer to: <http://www.springer.com/computer/lncs?SGWID=0-164-7-72376-0> Manuscripts will be limited to 10 pages following LNCS conference proceedings style and guidelines. Failure to comply will prevent the paper from appearing in the conference proceedings.

Joint workshops:

- **The 7th International Workshop on Mobile Commerce and Healthcare Services (WMCS2011)** (<http://www.weco.net/wmcs/>)
- **International Workshop on Cloud Computing, Applications and Technologies.** (CloudCAT 2011) (<http://www.cs.thu.edu.tw/cloudcat2011>)
- **The 1st International Workshop on Mobile Social Networking and Cloud Computing (MSC 2011)** (contact: cclin321@nctu.edu.tw)

Best and selected papers will be invited to appear in one of the following special issues of international journals.

International Journal of Computational Science and Engineering (IJCSE)
International Journal of Grid and High Performance Computing (IJGHPC)
International Journal of Handheld Computing Research (IJHCR)
International Journal of Information Systems in the Service Sector (IJISSS)
International Journal of Web Portals (IJWP)

Important Dates:

Submission Deadline: ~~May 9, 2011~~ ~~May 31, 2011~~ **June 14, 2011**

Authors Notification: ~~June 6, 2011~~ ~~June 21, 2011~~ **July 1, 2011**

Final Submission and Registration Due: ~~June 20, 2011~~ ~~June 28, 2011~~ **July 7, 2011**

Special Sessions and Workshop proposals are also welcome. Please submit a 2-page proposal to Program Co-Chair Prof. S.-L. Peng at slpeng@mail.ndhu.edu.tw.
